ANOTHER FIRST

The Norman Reasoner Chapter of Bradenton-Palmetto will hold the first AHS show of the season. It will not only be the first show of the season, it will be the first show put on by the new chapter.

The date picked will be August 30th. All Hibiscus growers, both large and small, are asked to bring in their bloom and help make this first show a huge success for the newest chapter in the AHS.

The show will be staged at the Palmetto Savings & Loan lobby on U. S. #41. After the First Federal of St. Petersburg was the first financial institution to agree to sponsor a Hibiscus show the good people of Palmetto Savings agreed to help the new chapter also.

Good luck! Let's all be on hand to help.

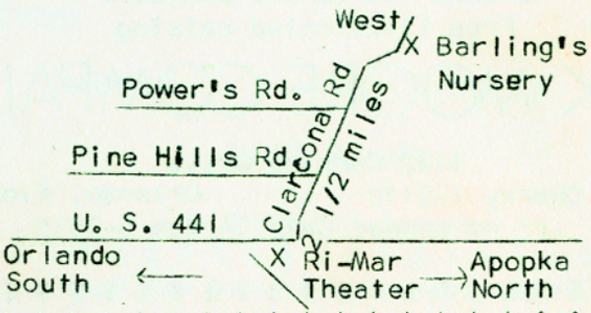
WHOLESALE RETAIL

ONLY EXOTIC HIBISCUS

THE FINEST STOCK WE EVER GREW
SEVERAL HUNDRED VARIETIES SPECIALLY SELECTED

Thousands to select from for their fine growing habits and prolific bloom



ATTENDANCE TROPHY

The Sunset Chapter will be over to Winter Haven with the idea of keeping the attendance trophy again this year. Who will stop them?

Come on Presidents, get your chapter members on the move and get them to the meeting so that your average will be larger than the Sunset bunch.

A farmer once called his cow Zephyr
She seemed such an affectionate Hephyr
But when he drew near,
She bit off his ear,
And now he's very much dephyr.
